

What is FIRST?

It's a **competitive sport**. It's a **life experience**.
It's an **opportunity**. It's a **community**. It's **amazing**.

FIRST gives kids the opportunity to develop the muscle between their ears; to gain experience that will directly affect their future and our future as well.” - Dean Kamen, FIRST Founder

“To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders.” - Dean Kamen, FIRST Founder

Dean Kamen is an inventor, entrepreneur, and tireless advocate for science and technology. His passion and determination to help young people discover the excitement and rewards of science and technology are the cornerstones of FIRST (For Inspiration and Recognition of Science and Technology).
